

# Scrum Master

## Removing impediments

Working to remove impediments, keeping the impediments visible, pointing out new impediments, prioritising which impediments to remove first, etc.

## Helping with

There are very few impediments the Scrum Master can personally resolve. Most require others to take action and use their authority. The ScrumMaster should help the Team, PO and management to solve the impediments and certainly maintain visibility in their resolution.

Responsible Helping with Actively Avoid Scrum is Silent

# Scrum Master

## Project reporting

Collecting and collating information into reports for external use (clients, management, etc.), delivering reports to appropriate forums, etc.
