

# Scrum Master

## Facilitating meetings & activities

Making events effective and valuable, booking meeting rooms and inviting people, reminding about timeboxing, ensuring good tools for workshops, etc.

## Helping with

The people who own the content should also own the meetings and activities needed to create them. ScrumMaster can help them achieve them with facilitation. But the responsible people should know how to run them effectively even when the ScrumMaster is not present to help.

Responsible Helping with Actively Avoid Scrum is Silent
